GUIDELINES FOR PROPERTY LIVING--RENTAL HOMES

In order to have a neat, clean and attractive Community and one that not only we, but also the other residents/tenants of the Community will be proud of, the Management has set forth the following guidelines for living of which the residents and their guests shall abide. These are a part of your rental agreement. (See section 10 of your residential rental agreement)

(1) GENERAL

1. Tenant is responsible for rental agreement or Guideline violations and damages caused by other occupants of the home and guests.
3. No discharge of firearms, bow and arrow, hunting or trapping, etc. will be permitted.
3. Occupancy standard must meet local municipality requirements.

2) SUBLETTING OR RENTING

1. Subletting of rental home is not allowed. See Section 12 of Rental agreement.

(3) HOMES AND SITES

1. No fences of any kind may be put up by the Tenant.
2. Lawn care and maintenance:
 - a. It is the Tenant's full responsibility for the care and maintenance of lawns.
 - b. Trees, shrubs, and flowers may be planted only after receiving the prior consent of the Landlord and Tenant agrees that they become a part of the real estate and must remain on the site at the termination of the rental agreement. Before planting any trees or shrubs or doing any digging, contact Diggers' Hotline because there are many underground utilities and we do not want digging over electric cables.
 - c. Willow, cottonwood, silver maple, ash, poplar, and sumac trees, among others, will not be approved for planting on the property.
 - d. Gardens: Approval from management must be obtained first if you should decide to plant a garden. The size must not exceed 10' x 10'. No gardens shall be allowed in front yards. Locations must be behind your shed, or in back of your home, depending on instruction from the Management. Your premises must be able to tastefully accommodate a garden. Compost piles or compost containers are not allowed. All plants should be removed after the growing seasons. Fencing around any garden must be built with approved materials only and must also be removed after the growing season.
 - e. Lawns must be BOTH mowed and trimmed a minimum of once per week or more if necessary. Any shrubs must be maintained by Tenant. The condition of each premises is the responsibility of the Tenant. However, if it becomes necessary to mow lawns, clean up unsightly rubbish, etc., maintenance charges will apply (see rental agreement for charges).
 - f. Landscaping equipment, such as, lawn mowers, riding lawn mowers, and tractors, must be stored in your shed, garage, or off street view during the off season.
 - g. Snow blowers must be stored in your shed, garage, or off street view during the off season.
3. The Tenant is responsible and must pay for damages caused by the Tenant while working on or around the utilities including the electrical pedestal, receptacles, television, or telephone cables or pedestals, gas, water, and sewer pipes, etc. Tenant is also responsible and must pay for damages to property and structures, such as, sign posts, mailboxes, or lawns, etc....when damage was caused by the Tenant, other occupants of the home, or the Tenant's guest.
4. No storage of any item is permitted on patios or exterior areas surrounding the home except steps, patio furniture, or other patio related items. Commercially designed lawn furniture is allowed for outside use. No old upholstered furniture or furniture designed for interior use will be allowed. Furniture should be stored away during the off-season.

5. Before driving any rods, posts or like materials into ground, check with Diggers Hotline as to the location of underground utilities.
6. No painting or dressing of any concrete walks or patios.
7. Window air conditioner units must be installed with supports attached to the home, not by posts to the ground.
8. Do not install insulation in your windows. Any materials designed as an additional storm window or weatherization must be secured on the inside of the home, not visible from the outside. Tape, plastic, and insulation, which can be seen on the exterior of the home, are not allowed.
9. Windows must be decorated with commercially designed window treatments, i.e. curtains, draperies, blinds, etc. Bath or beach towels, blankets, bed sheets, or flags will not be accepted as window coverings.
10. Any lawn decorations, lawn ornaments, or flags must be commercially produced and tastefully decorate your premises. Landlord at his own discretion may refuse any decorations deemed untasteful. Flag poles must not exceed 20 feet in height.
11. Outdoor holiday decorations must be removed no more than three weeks after the holiday.
12. Birdfeeders that are damaged or unused must be removed.
13. Tarp can be used only with prior approval from management. Covers for cars, air conditioners, grills, and motorcycles must be commercially designed for those specific items. All tarps must be a neutral color, i.e. black, brown or grey (not silver), and must be properly when not in use.
14. Any murals or expressions of art on exteriors of garages, sheds, or home must be submitted with a building permit application and approved by Landlord prior to installation.
15. One above-ground commercially manufactured fire pit is allowed if it meets local municipal requirements.
16. If home has a wood burner, fireplace, or fire pit from October 1 to April 15, no more than two face cords of firewood may be stacked neatly on the site. From April 16 to September 30, no more than one face cord may be stacked on the site. Whenever possible it should be out of view from the street. All wood must be pre-cut before it is delivered to your site.
17. Doors on storage buildings and garages must be kept closed when not in use.

(4) WATER METERS

1. If meter is damaged due to tenant's negligence, the expense to have the meter replaced may be the responsibility of the Tenant.

(5) SEWERS

1. Materials foreign to normal toilet usage such as disposable diapers, paper towels, napkins, Tampax, Kotex, flushable wipes, etc..., shall not be placed in the toilets or drains.
2. If sewers become plugged and any foreign items, included but not limited to those listed above, are found, it shall be the Tenant's sole responsibility to pay for the entire sewer-cleaning bill or sewer repair.
3. Tenants are responsible for notifying Landlord of necessary plumbing maintenance for the prevention and repairs of leaks in faucets, water lines, and toilets.

(6) GARBAGE

1. Garbage cans and/or proper plastic containers must comply with local Health Department Codes. All containers must be kept in a shed, or garage if available, or at the rear of the Tenant's home site, completely out of sight.
2. Garbage cans must be kept covered and not allowed to overflow. Do not at any time set garbage bags outside.
3. Do not set your garbage out to the curb for collection until late the evening before or early on the day of collection. Common sense should be used on windy days; anchor lightweight refuse and recyclables.

4. If Tenant wishes to dispose of any large items, it is the responsibility of Tenant to make special arrangements, in accordance with local ordinance and laws, to dispose of such items. Any charges incurred by Landlord as a result of Tenant's failure to comply with the above will be the responsibility of the Tenant.
5. No burning of debris and/ or leaves at any time.
6. If your premises has recycling containers, store the separate containers in your shed, garage or out of site.

(7) SIGNS

1. No signs without prior community approval are allowed in the yard.
2. Political signs may be displayed during election time only and are to be removed promptly. Landlord at their own discretion may refuse any political signs that are deemed untasteful.

(8) PLAYGROUND EQUIPMENT & POOLS

1. If playground equipment is desired, submit a plan for prior written approval with Management as to details and location before installing it up. Management reserves the right to reject the condition of equipment and require its removal if it has not been authorized. Tenant must provide Landlord with indemnification from Tenant's insurance company. No tires, swings, or hammocks in trees are allowed.
2. If Tenant chooses to purchase a trampoline, Tenant must provide Landlord with indemnification from Tenant's insurance company. All trampolines must have a manufacturer-supplied safety netting around the perimeter of the trampoline. The trampoline cannot be used for storage. Trampolines must be dismantled by November 1st.
3. If you are considering installation of anything larger than a wading pool you must:
 - a. Submit a plan to Management listing dimensions and a brochure featuring the pool, as it will look when complete.
 - b. Prior to installation, obtain a written approval from Management. Tenant must provide Landlord with indemnification from Tenant's insurance company.
 - c. Securely cover the pool, with a safety cover designed specifically for pools, when not in use
 - d. Remove the ladder to the pool when not in use.
 - e. Make sure the installation and operation of the pool meets local ordinances. Check with the municipality before installing a pool.
 - f. Repair any lawn damage done by the pool when it is removed.
 - g. Pools must be dismantled and removed by October 1st.
